We are pleased to announce a new student group “Wildcat Pride Patrol” for our 4th graders at Faircrest Memorial Elementary. Students will meet with their peers during lunch and recess times once a month. Each group (4th Girls & 4th Boys) will meet with their teacher advisor to enjoy lunch, discuss proper workforce character traits, and explore different career paths. Our mission is to expose our students to different careers and learn the expectations and education required to obtain those positions. Some of the career paths being discussed include:

- Medical
- Military
- Business & Sales
- Arts & Entertainment
- Education & Social Services
- Science & Technology
- Installation, Repair, & Maintenance
- Farming, Animal, & Forestry
- Architecture & Engineering

Later in the school year, optional career assemblies & field trips will be offered to students. This would involve students learning from professionals, visiting job sites and having real-life experiences.

If you would like your child to participate in this program, please sign the release form below. By signing this form, your child is making a monthly commitment to attend these meetings. A student may be suspended or removed from the group for not meeting school expectations at the discretion of the building principal. Your child will not be permitted to attend the club meetings until the permission slip is returned.
