

FAIRCREST MEMORIAL ELEMENTARY SCHOOL

PRIDE PACK

***“If you cannot see where you are going,
ask someone who has been there before.”***

J. Loren Norris

We are pleased to announce a new student group “Wildcat Pride Pack” for our 5th graders at Faircrest Memorial Elementary. Students will meet with their peers during lunch and recess times once a month. Each group (5th Girls & 5th Boys) will meet with their teacher advisor to enjoy lunch, discuss leadership characteristics, meet with CSHS student mentors, and train to be mentors for younger students within our building. Our mission is to help our students become leaders within our building from shared experiences with district student leaders. Each meeting will cover topics such as:

- Conflict Resolution
- Making Good Choices
- First Impressions
- Goal Setting
- Positive Role Models
- And more!

Later in the school year, optional meetings and field trips will be offered with our CSHS mentors. This would involve students spending positive and educational time with student leaders from Canton South High School.

If you would like your child to participate in this program, please sign the release form below. By signing this form, your child is making a monthly commitment to attend these meetings. A student may be suspended or removed from the group for not meeting school expectations at the discretion of the building principal. Your child will not be permitted to attend the club meetings until the permission slip is returned.
